

Create an Account and Sign into the Whova Conference App

1. Go to https://whova.com/portal/webapp/icic_202110/ and select 'Sign Up Here'

2. Sign up using the email address that was entered in Registration

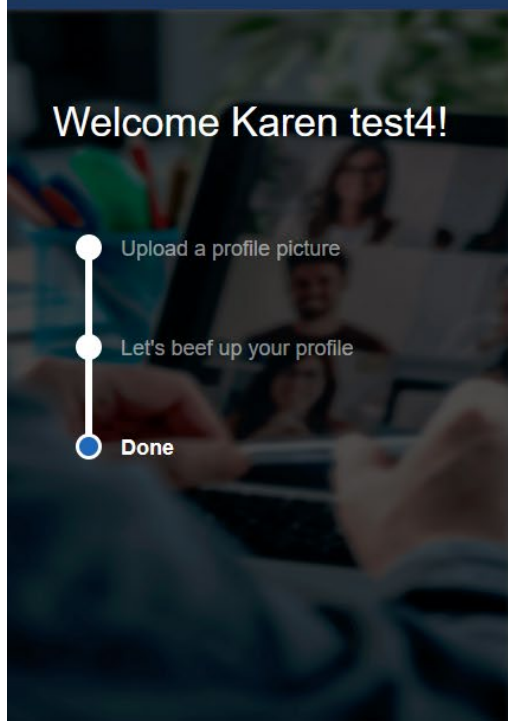

3. You will be prompted through a few screens asking for profile information (you can ignore these for now)

The screenshot shows the Whova interface for organizing an event. At the top, the navigation bar includes the Whova logo, a dropdown menu for 'Whova Guides', and a link for 'Organizing your own event?'. Below this, the event title 'IEEE CyberSciTech/PICom/DASC/CDBCom 2021' and dates 'Oct 25 - 28, 2021' are displayed. The main content area is split into two panels. The left panel, titled 'Welcome Karen te 13!', features a vertical progress indicator with three steps: 'Upload a profile picture' (the current step), 'Let's beef up your profile', and 'Done'. The right panel shows the user's profile picture, a name 'Karen te 13', and an 'Update profile picture' button. Below this is a section titled 'Select a frame to stand out in this event!' with several options: 'Original', 'DIVERSITY', 'INNOVATION', 'LEADERSHIP', 'OPEN TO WO...', and 'FIRST TIMER'. A 'Continue' button is located at the bottom right of the right panel.

4. In the final setup screen, select 'Enter Event'

You can always edit your profile at any time.

Welcome Karen test4!

- Upload a profile picture
- Let's beef up your profile
- Done

Want to stay in touch wherever you go? Download the Whova mobile app!

You can

- Join streams on the go
- Access on phone or tablet
- Engage more with other attendees

- Stay up to date on the latest Whova features
- Get bi-weekly emails of the upcoming events picked for you

5. This will take you to the web app for the conference. You can also download the mobile app from here.
