

The 9th International Workshop on Applications of AI, Cyber Security and Economics Big Data (ACE-2026)

In conjunction with

The 11th IEEE Cyber Science and Technology Congress (CyberSciTech 2026)

Melbourne, Australia. November 9-13, 2026

<https://cyber-science.org/2026/>

Subject and Objectives:

This international workshop provides a platform for IT experts and young researchers to present their Cyber related original research discoveries updates. The workshop period is an opportunity to network with top researchers in the world to exchange ideas, intrigue more creativity, as well as to obtain fore-view and guidance for further explorations of Cyber space. The ACE workshop was held first with IEEE 2017 CyberSciTech in Orlando, USA, then held in Exeter, UK in 2018, in Leicester, UK in 2019, and online in 2020 and 2021, 2022 in Italy. 2023 and 2025 in UK. ACE 2026 is the 9th edition with focus on innovative applications of AI, deep learning, cyber security and big data as well as their integrations.

Scope and Topics:

This workshop is broad in scope and invites original research contributions on topics that include, but are not limited to the following:

AI and Artificial Intelligence Applications

Machine Learning, Deep Learning

Information Governance, Trust

VR, AR, Metaverse, Mixed reality and Digital Twins

Smart World, AV and 6G Technology

Big Data Analytics, Information Governance and Data Science Applications

Digital Forensics and Cyber Security

Cloud-Edge Computing, Hyper Intelligence and IoT Applications

Blockchain and Decentralised Ledgers

Cryptography and Steganography

Cyber-Stalking Cyber-Bullying and Computer Law, Computing Education

Automatic Transportation

Security Monitoring and Analysis, Nanorobotics and Applications

All contributions are welcome.

Submission and Publication

Authors should submit a paper of up to 6 pages of their original work. Submitted papers need to abide by IEEE Computer Society formats, and must be formatted accordingly.

<https://cyber-science.org/2026>

https://www.ieee.org/conferences_events/conferences/publishing/templates.html

All submissions will be made through the CyberSciTech 2026 EDAS system website (<http://cyber-science.org/2026/>) Track: **The 9th International Workshop on Applications of AI, Cyber Security and Economics Big Data (ACE2026).**

All the accepted papers must be presented in the workshop. They will be included in the IEEE CyberSciTech proceedings, which will be published by IEEE CPS (EI indexed, in IEEE DL).

Important Dates:

Regular Paper Due: July 15, 2026

WiP/Poster/Workshop/SS Paper Due: August 15, 2026

Author Notification: September 1, 2026

Paper Registration Due: September 24, 2026

Camera-ready Submission Due: Sep 28, 2026

Organizing Committee:

General Chair

Xiaohua Feng, University of Bedfordshire, UK (email: xiaohua.feng@beds.ac.uk)

General Co-Chairs

Emma Short, De Montford University, UK (Email: emma.short@dmu.ac.uk)

Yuping Zhao, Peking University, China (Email: yuping.zhao@pku.edu.cn)

Liangxiu Han, Manchester Metropolitan University (email: L.Han@mmu.ac.uk)

Executive Chair

H. Yu, University of Derby, UK (Email: H.Yu@derby.ac.uk)

Advisory Chairs

Wenbin Zhao, Cleveland State University, USA

Program Committee Chairs

A. Emrouznejad, Surrey University, UK

Publicity Chair

Patrick Siarry, University Paris Est Créteil, France (Email siarry@u-pec.fr)

Program Committee

Geyong Min, University of Exeter, UK

Feng Dong, Strathclyde University, UK

Dayou Li, University of Bedfordshire, UK

Longzhi Yang, Northumbria University, UK

Oscar. Lin, Athabasca University, Canada.

Stefania TOMASIELLO, University of Salerno and University of Tartu (Estonia)

Giancarlo Fortino University of Calabria Italy.

Samso Akintoye, Manchester Metropolitan University, UK

Biswas Md Israfil University of Bedfordshire UK

S. Khan, University of Bedfordshire, UK

Azad Ullah, University of Bedfordshire UK

M. Idris, University of Bedfordshire, UK

Z. Sun, Nanjing University of Posts and Telecommunications, China
